ASSISTANT SECRETARY TO GOVERNMENT
9 MAY 1955
HEALTH, EDUCATION & LOCAL ADMN. DEPT.

Sub: Filariasis-National Filaria Control programme-
Coondapoor Panchayat, South Kanara,.-To include
this Panchayat area-Requested.

Ref: G.O.MS No.448-Health dated 4/2/1955.
2 Resolution Number 5 dated 21/4/55 of
Coondapoor Panchayat.
****

I beg to submit the copy of the resolution of this Panchayat, requesting to include this Panchayat area under National Filaria Control programme.

I submit that the incidence of filariasis is fairly high in Coondapoor Town and it is also in the begining stage. If prompt action is taken forthwith, it can be controlled.

It is learnt that Mangalore Municipality and Kasargode Panchayat have been included under National Filaria Control programme.

Therefore I request that the Government may be pleased to issue order including this Panchayat under National Filaria Control programme.

6/5/55
EXECUTIVE OFFICER,
COONDAPOOR PANCHAYAT.
SOUTH KANARA.

Forwarded.

The present National Filariasis Control Programme is of an experimental nature intended to indicate the economical methods of controlling Filariasis. The question of including Coondapoor Panchayat Board will be considered at a later stage. A modest scheme is however already functioning in the Coondapoor Panchayat Board.

Memo.No. 63650 H4/55-1 Dated 25/9/55

FILARIA - South Kanara District - Coondapoor Panchayat - Deputation of ~~a~~ Control unit.

From the Executive Officer, Coondapoor Panchayat, RC.No.301/55-A, dated 5-5-1955.
From the D.P.H., Madras, Endt. No. 37626/Mal/55, dated 16-6-1955.
From the Inspr. of Municipal Councils and Local Boards, Madras, Endt. No.26886/55, dated 27-6-1955.

Madras State has been allotted one control unit and two survey units under the National Filaria Control Programme of the Government of India. The control unit which is intended to cover a population of three lakhs will in the first instance deal with Kozhikode and Mangalore Municipalities and Kasargod Panchayat, whose total population is about three lakhs. The two survey units beginning their work in Cuddalore and Chingleput will undertake surveys throughout the State. On the basis of the work which will be done by the control unit and the survey units sanctioned for the State under the National Filaria Control Programme comprehensive measures for the control of filaria in the State may be formulated and implemented in the near future. The Executive Officer, Coondapoor Panchayat Board, is informed that when this is done, Coondapoor Panchayat will receive its due measure of attention

P.T.O.

under the National Filaria Control Programme.
